Looking Good Together

Yearbooks have a strange way of increasing in value as they grow older. Many of the things which are so often accepted as routine in school have a way of making a mark on one's life which is left there forever. Some of the most happy and pleasant experiences you will have in life will have taken place during this school year. With the 1981 **AYER** we hope you will remember the past as much as you love the present and anticipate the future.

12 Dogs Named To All-Region Team

WE'RE NO. 1

The Devil Dog Football team had it's usual year again in 1980. GREAT! There were many questions by many at the beginning of the season and even by mid season, everyone wondered if the Dogs had what it takes to be a champion. But as usual the Dogs came on strong and captured it's third share of the championship in 3 years, and advanced to the playoffs after a 2 year wait.

MHS had it's usual easy time with Atkins and defeated a good Red Devil team 28 to 14. The next 4 wks are what made the Dogs the Champion they finally became. Eventual AAA winner Alma stormed into Devil Dog Stadium and handed the Dogs their worst defeat 23 to 7. The next week was breather time again as the Dogs trounced Subiaco 27 to 0. Then with many problems and injuries Morrilton battled Co-Champion Cabot, but the Panthers prevailed 60 to 7. MHS came of age the next week and fought the Conway Wampus Cats to a 14 to 13 thriller, with the Dogs missing a 2 point conversion with seconds left, and allowing the Cats to win another close rivalry grudge match. From this point on, it was "Katie Bar The Door" because MHS was off and running to win the next 5 games in true champion form and advance to the state playoffs.

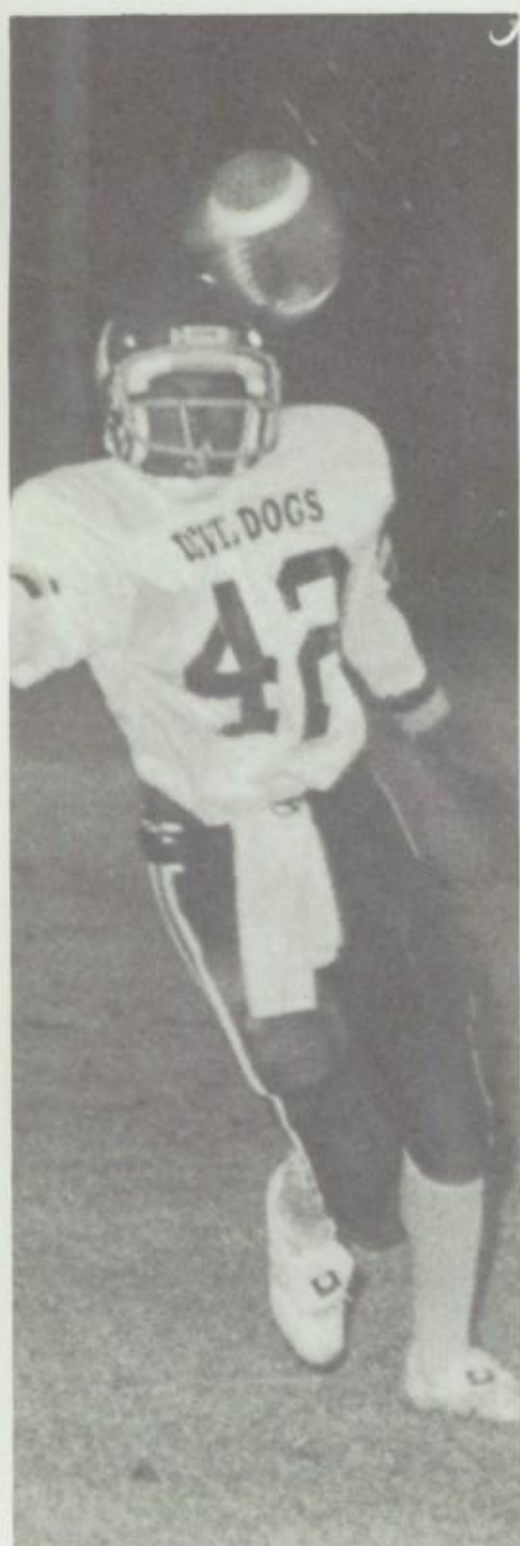

The Dogs started the rout by defeating Russellville 22 to 7. The next victim was Lonoke, after a two year period of Lonoke keeping MHS from the playoffs, Morrilton held off a last half surge by the Jackrabbits to win 41 to 27. Playing what probably was their best game of the year, the Dogs litterally trounced the Ricebirds of Stuttgart, offensively and defensively by a 27 to 0 score. The last two regular season games were simply icing on the cake, as MHS easily defeated Searcy 28 to 0 and traveled to North Pulaski and handed the Falcons a little Devil Dog Pride by winning 34 to 14.

The first game of the state playoffs was held at Harrison. The Dogs were easy winners there and defeated the 1AAA winner Golden Gobblins 27 to 0. This set the stage for the long awaited rematch with Alma. The Dogs made it look easy for the Airedales the first 5 minutes and Alma led 14 to 0. But from that point on it was all Morrilton as MHS scored once in the first half and once in the fourth period to make it 14 to 12. Electing to go for 2 points, MHS fell about 6 inches short to end the game 14 to 12. The Cinderella story of the 1980 Devil Dogs closes but on a good note. They got Morrilton back in the playoffs and proved that all Devil Dog teams are state playoff material and the 1980 Dogs are to be congratulated and applauded.

1980-81 MHS "B" Team

The Morrilton Devil Dogs were "Lookin Good Together" again in 1980-81. The Dogs, under coaches John Widner, John Hoyt, and Lee Clay once again had an excellent year.

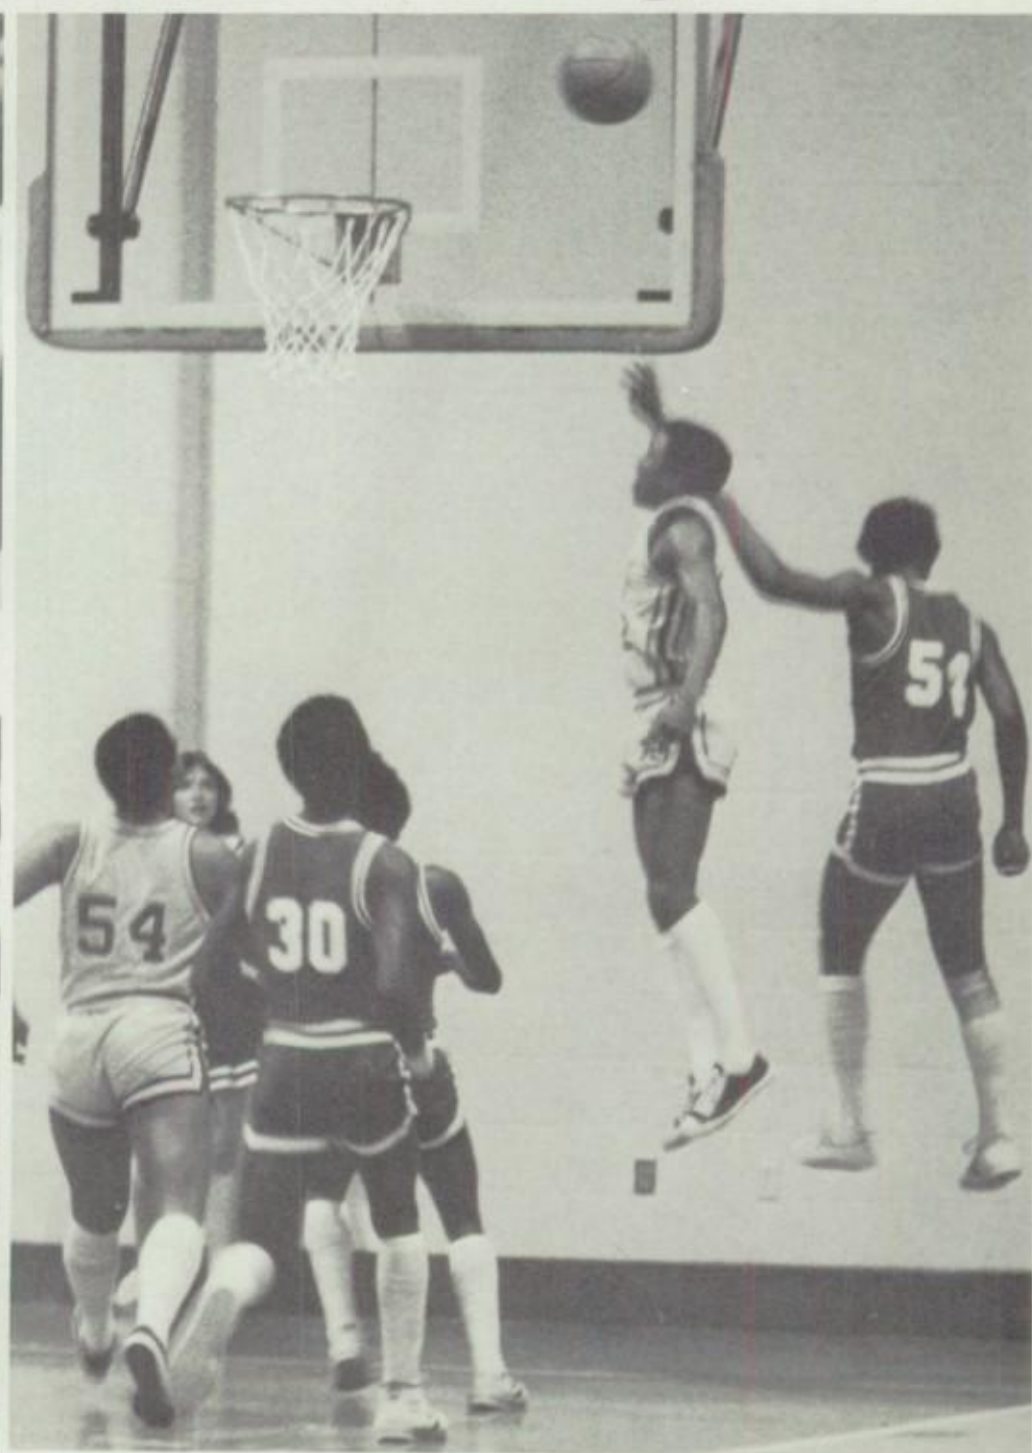

Morrilton got off to a 6-0 start winning 2 games at the NACC Classic, over Marmaduke and Valley Spring before running into Conway. The Cats hit a last second shot to win 45-43 in overtime. The Dogs then went to Green Forest to defend their title. A 56-35 win over Alpena and a 61-59 thriller over Lead Hill put them in the finals against Russellville. The Dogs had to settle for second as the Cyclones won 50-39, Calvin Donald and Kevin Duncan were named to the all-tourney team. Next it was on to the Arkansas Tech Tourney, where once again the Dogs were favored to win. Wins over Nashville, 57-40, Wonderview, 50-31, Mt. Home, 48-30, and Russellville, 38-31, set the stage for a showdown with the Bulldogs of Fayetteville, rated 4th in the state. The Dogs, protected by the "Morrilton Mafia" battled in a nip and tuck game and won in overtime a heart stopper 36-35, with Calvin Donald hitting the winning points.

MHS got their conference season off on a sour note with a disappointing 48-54 loss to Lonoke. The Dogs then battled back with a 41-34 victory over Stuttgart and a barn-burning 58-56 win over Searcy in overtime. The Dogs got even with Lonoke with a 59-47 win. This put the Dogs in the driver's seat, and with a 52-42 defeat of Searcy, Morrilton was at the top of the conference race and heading toward another Region Championship.

REGION 5AAAN CHAMPS

The Devil Pups had a dream come true in 1980 as they went undefeated completing a perfect 9-0 season.

The Pups began the season with a big opening win against Russellville, 21-7. The following week proved to be more of a test, as the Pups squeaked by Stuttgart, 8-6, for their first conference win. Cabot was next in line to fall, with the Pups taking a 7-0 victory and their second conference win.

Undefeated Sheridan, the Pups' fourth opponent, was to be the biggest challenge of the young season. The Pups prevailed at Sheridan for a 14-0 win on a great team effort.

For a change of pace, the Pups traveled to Harrison for a 2:00 kick-off against the Goblins. The Pups scored twice quickly in the first quarter and held on for a 14-0 victory.

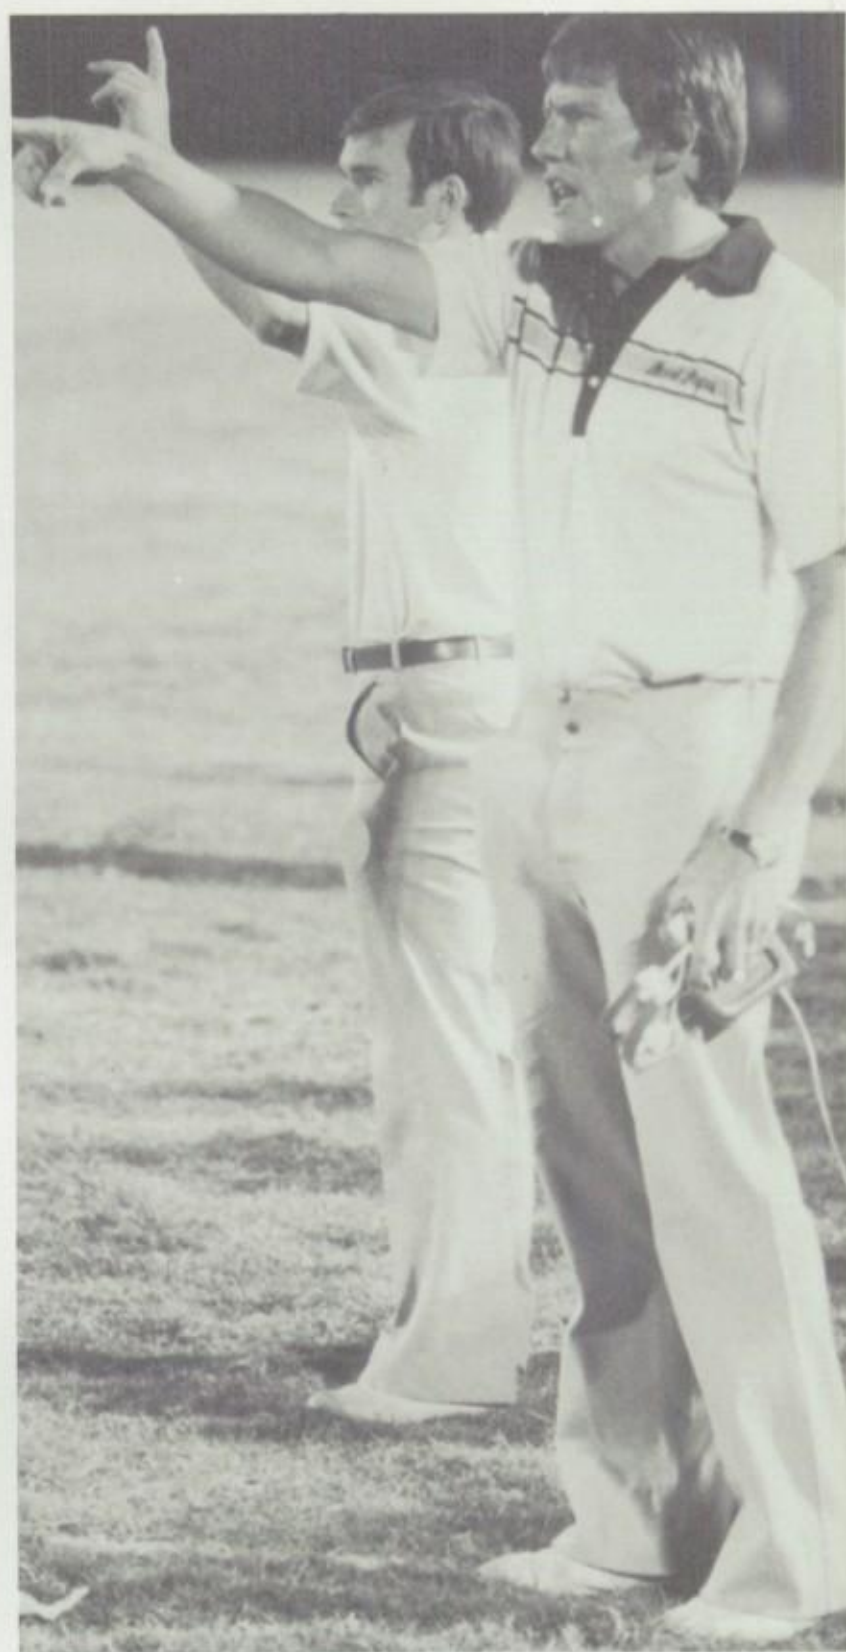

Conway, the Pups' sixth opponent, was to be the test of the year. The Pups played perhaps their best game of the season that night at Conway and handed the Kittens a 13-0 defeat.

Clarksville proved to be competition the following week as the Pups rolled up their seventh victory in a row.

The conference championship was to be decided in the eighth week of play as the Pups traveled to Searcy to face the Cubs. Hurt by injuries early in the game, the Pups could manage only an 8-6 lead at halftime. But with the championship on the line, the Pups returned in the second half to score twice and take a 20-6 win, guaranteeing at least co-championship for the Pups.

The final game of the season brought Lonoke to town. This game would decide whether or not the Pups would attain sole possession of the conference championship. The Pups got it all together in a super performance offensively and defensively, defeating the Bunnies 53-12.

Were

All

A close look at the past year makes it obvious that very little will be remembered as "typical."

The Seniors were our leaders and they fit the role perfectly. The Juniors helped by giving their support and experience. The Sophomores looked forward to saying good-bye to the building they call "Jr. High" and the Freshmen enjoyed being up there with the "big kids". With all this, there was hardly a dull moment.

As the year went spinning by, students were caught up in living their todays and looking forward to tomorrows. But as the end drew nearer, they began to realize how precious their yesterdays spent here were.

The pace was hectic at times, but it didn't dampen our spirit. It just meant more challenge to students as they went about making the most of 1980-81.

Looking Good

WHAT A YEAR IT WAS

I am scared to death. I have a two-year-old son, and every night when I pull his shade down at bedtime and look out the window and see the cooling towers, I nearly cry. I am in a panic. I have never considered myself a violent person, but I am beginning to think I am going crazy—I do believe I am.
—Mary Enterline, Middletown, Pa.

It is a dream so pretty. —Hugo Landa, 27, Cuban refugee, upon arriving in America

I can't stand here tonight and say it doesn't hurt. —Jimmy Carter, election night

Reagan Landslide Over Carter

I had a teacher once who told me that I'd have to learn that there was more to life than hockey. Looking back, I figure, "What did she know?" —Mike Eruzione, captain, U.S. Olympic hockey team

I never thought they'd pull a trick like this. It's a little shabby, isn't it? —Bert Parks, on learning that his reign as emcee of the Miss America contest had ended

I can't say what other nations will not go to the Summer Olympics in Moscow. Ours will not go. The decision has been made.

**WE DID IT!
WE DID IT!**

**MOMENT
IN MIAMI**

For Muhammad Ali, 38, three-time world heavyweight boxing champion, another attempt last October to regain the title ended in humiliation in Las Vegas. The end came in the 10th round as Larry Holmes, younger and swifter, applied the ritualistic beating to a champion who came back once too often.

**ABSCAM
ON HOME TV**

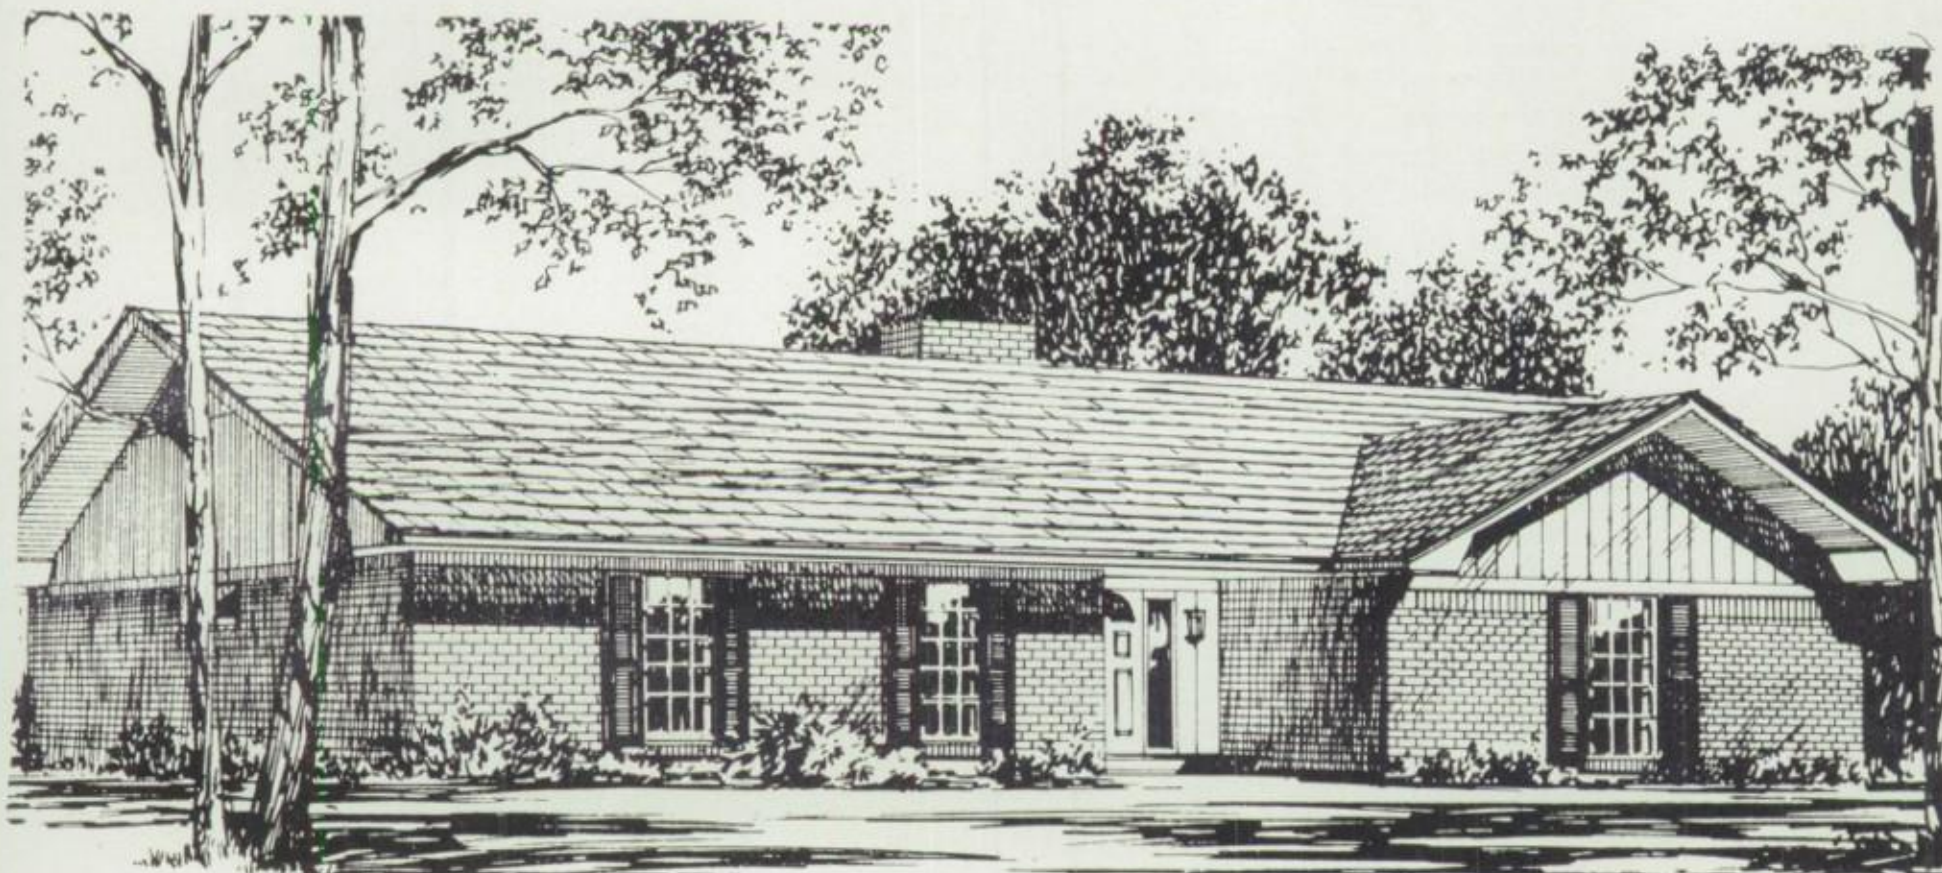

Carnivorous Soviet players, among them men who had toyed with National Hockey League professionals, were expected to swallow the young collegians of the U.S. hockey team like hors d'oeuvres at the Winter Olympics in Lake Placid. But the crowd in the arena began chanting, "U.S.A.! U.S.A.!" and innumerable viewers watched in stunned suspense as the Americans tied the score, 2-2, in the first period of the game. The tension built by the minute and became unbearable after the U.S. forged ahead, 4-3. At the end there was an explosion, a kind of national exaltation—which lacked only background music by John Philip Sousa—as team members leaped in victory. Winning that game was possibly the single sweetest moment of a trying year.
